PRETTY CHURCH WEDDING IN WEST END LAST WEEK

Miss Yowell Becomes the Bride Of Prominent Floridian—News From Hustonville.

Hustonville, Oct. 26.

One of the prettiest weddings of the season was solemnized at the Christian church at 10 o'clock Wednesday last week when Miss Anna Yowell became the wife of R. R. Herron, of Lakeland, Florida. The bride is the attractive and accomplished daughter of Mr. and Mrs. E. M. Yowell, and one of our sweetest and most popular girls. The groom is one of the most prominent men of his city and for a number of years has conducted a jewelry establishment. The bride wore a beautiful traveling suit of tan and her natural beauty never showed to better advantage. The ceremony was said by Rev. W. S. Willis, pastor of the Christian church, assisted by Prof. Rogers, of Danville, who interpreted the holy words into the deaf mute language. Immediately after the ceremony, the happy couple left for the South, stopping at Chattanooga, Atlanta, Jacksonville and St. Augustine. Their many friends wish them all the happiness in the world.

Mrs. Walter Vancardale, of Danville, is with the home folks for a few days.

Mr. and Mrs. Eugene Dunn attended the funeral of Mr. Henry Traylor Thursday.

Mr. John B. Hiffe is in Louisville buying goods.

Mrs. Coking and daughter, of McKimney, were here shopping on Tuesday.

Mr. and Mrs. C. W. Adams and family and Mrs. Smith Powell motored to Danville last Friday.

E. V. Carson has returned from a short trip to Louisville.

Miss Margaret Davis is the attractive guest of Mr. and Mrs. Joe Newell this week.

Mrs. Bettie Carpenter is the guest of Mrs. A. M. Frye.

Willie Kirk is home from a visit to relatives in Oklahoma.

Don't forget the big horse and mule sale of E. P. Woods & Son at Stanford on Nov. 1st.

Miss Lavinia Methaw and brother-in-law, Mr. Jack Shelby, motored over from Junction City last Friday.

Mr. and Mrs. Nathan Pipes were in Danville Monday.

Miss Ada Alcorn is visiting the Messers Alcorn in Stanford.

Messrs. Arthur Burton and Stone Stevenson gave a delightful chestnut hunt Saturday. The girls prepared the lunch and for supper the young men entertained the young ladies at Elvix Springs. Those fortunate enough to be invited were:

Carpenter, Miss Maggie Allen, Miss Margaret McCann, Miss Nellie Buck, Miss Edith Andrews, Miss Lillian Ends, Miss Ella Rigney, Miss Margaret Newton, Miss Ethel Burton, Miss Elizabeth Stevens, Miss Nellie Newton, Miss Alma Lyons, Miss Louie Back, Miss Annie Dunn, Messrs. McCormack were the claps.

Misses Mary H. Kennedy, Becher, Neuberger and Corn Mae Goode are the attractive guests of Mrs. J. A. Blain this week.

Every democrat should remember to go to the polls on election day and vote right under the rooster for N. Freary and the rest of the ticket. I know the democrats will win if the men will just come out on election day. Let's show the republicans they are not the whole thing in Kentucky.

TO THE VOTERS OF LINCOLN COUNTY

On the 21st day of October, 1911, I was nominated by the Republican party of Lincoln county as a candidate for Representative. Owing to the short time I have in which to make a canvass, it will be impossible for me to see personally all of the voters of the county. For the purpose of giving to them the opportunity of knowing my position on various questions now confronting the people, I take this method to make known my views, and to give them some information which may aid them in deciding as to my fitness and that of my opponent for the position to which we both aspire.

I was born in the mountains of Knox county, Kentucky, 48 years ago where I lived for 21 years; since which time I have resided in Lincoln county. My reason of adverse circumstances and conditions over which I had no control, I had no chance when a boy to secure an education, and when I should have been in school, I was daily engaged in hard manual labor trying to help those dependent upon me for support and maintenance. I, therefore, had no opportunity to attend the schools or to secure any part of an education until after reaching manhood, at which time, and, when more than 30 years of age, by my own study, I was able to attend school for several years and by private study secured the necessities of an education, and prepared myself for the ministry, and in the Master's cause I have labored faithfully for the past 15 years.

During which time I have been blessed of God, influenced about 1,000 persons to follow "in the faith of the meek and lowly Nazarene."

If I should be elected representative by my fellow citizens, I will strive earnestly to represent all the people, irrespective of party affiliation, and will stand for and vote for the following propositions, or any bills in the interest of the same, to wit:

1. A Uniform County Unit bill.

2. A fair and honest redistricting bill, giving to every citizen equal representation.

3. Better schools, longer terms, more and better books to be paid for by the county and state, if the present law can not furnish the same.

4. Better roads \$1 per day for an honest day's work on the county roads. Also, reasonably, compensation to boys between 18 and 21 years of age who at present are required to work on the roads without compensation.

5. A uniform rate of two cents per mile for passengers on all railroads in Kentucky. (The present rate in Kentucky is three cents, but practically all of our neighboring states have the two cent rate; why can not we have it?)

6. The stricter regulation of telephone companies and their rates.

7. A uniform rate of two cents per mile for passengers on all railroads in Kentucky. (The present rate in Kentucky is three cents, but practically all of our neighboring states have the two cent rate; why can not we have it?)

His corpse was transported by Adams Express to Hethelton and interred at this sacred spot November 22, 1864, age fifty years, twenty-nine days."

BIG LOSS IN CORN

Seems to Have Been Caused by Rot—Bushel to Shock is Spoiled.

Much complaint is being heard from farmers all over Lincoln and in other sections of the prevalence of rot in corn. Some say that the had ears are showing up to the amount of a bushel to the shock. It had generally been expected that one of the best corn crops known in many years would be the harvest in Central Kentucky this year, but the rot caused by too much rain on the shock will cut down the estimate considerably.

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of age. As many letters are received from mothers regarding the cure of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years should see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin. You can prolong your life by healthy bowel action. Clogged bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala. and Mr. George St. Paulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

Dr. Caldwell does not feel that the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the reader any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 444 Caldwell Building, Monticello, Ill.

THE TEMPERANCE PEOPLE BEGIN TO SUSPECT O' REAR.

Twist and turn as he may, Judge O'Rear has not been able to escape responsibility for the charge made by him in his speech at Lexington, before the Republican Convention, that Bradley had been elected by a "corrupt lobby." Ollie James has asked him to name the man who was involved in that scandal. Doshin Brockridge, Editor of the Lexington Herald, telegraphed him if he referred to Bradley, and if not, to whom did he refer? After many days of anguish O'Rear finally replied that he referred to the election of Cerro Gordo Williams, and that he did not have Senator Bradley in mind at all. It happens that when Williams was elected Judge O'Rear was a boy 15 years old, but he says that the scandal of that contest made such an impression on

Leslie Combs formerly minister to Peru, and one of the strongest and cleanest Republicans in the State, says that he heard O'Rear's speech at Lexington, and that it was his impression and the impression of everyone else near him, that Bradley was the man referred to, and believing that to be so, he applauded O'Rear's utterance.

Like every other charge that has been proven against Judge O'Rear in his campaign, he has attempted to crawl out from under. He is feeling the effects of his approval of Bradley at the State Convention. The temperance people rightly regard Bradley as the worst foe their cause has ever had in Kentucky. They know his associations; they believe that he is the beneficiary of the whisky lobby's work at Frankfort; they are confident that he did everything in his power to prevent the extension of the county unit, after he had been elected to the Senate by the votes of holding Democrats closely allied with the "whisky lobby."

They are asking Judge O'Rear to explain his friendship and affection for Bradley, and they do not see how he can pretend to be the bitter enemy of the whisky interest when he relies on the support of a man like Bradley.

In addition to this, the appointment of McCulloch President of the Distillers' Association, has about convinced the Temperance element that Judge O'Rear is rapidly getting into very bad company. When he accepted the contributions of the President of one of the biggest whisky concerns in the state, they are afraid that his platform pretensions are mere-sounding brass and tinkling cymbals.

"Elder" Ed Hubbard says he stands for a law which will pay men \$1 a day for work on the county roads and also for pay for boys to work the roads. We advise him to look up the law a little more closely before he adopts entchy planks in his platform in an effort to win votes. Section 4308 of the Kentucky Statutes now says: "The fiscal court in its discretion may pay the hands ordered to work on the roads a reasonable compensation per day for all or any part of their labor." So that the law Hubbard wants is already on the statute books and it is now up to the fiscal court of Lincoln county to pay the road hands, if it so desires. And as the fiscal court is at present republican perhaps, Mr. Hubbard might be able to get them to do something for the men who work the roads.

Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases.

Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.
